PERSONAL PROJECTS

Grapplr - Jitsu Social

- Built a Social Media Website in React, for Jiu-Jitsu enthusiasts, in order to facilitate a dedicated online platform, designed exclusively for them.
- Developed the website using technologies like Next.js, OAuth, React, Sanity, Tailwind, TypeScript, and Zustand..
- Integrated Google Auth into a responsive design.
- Developed the ability to upload, publish, comment on, and like videos.
- Facilitates filtering by categories and advanced search functionalities, profile pages, and suggested accounts.

Fitness App

- Built a Fitness website in React, with the functionality to choose exercise categories and specific muscle groups, in order to provide an "all-in-one" fitness platform.
- Facilitates accessing a library of over 1000 exercises with practical examples and exercise details.
- Facilitates access to related YouTube videos, displays similar exercises, and much more.

EXPERIENCE

Social Media Manager/ Maintenance Director

GIC Logistics | March 2021 - Present

- For my role as the Social Media Manager I am responsible for overseeing the company's interactions with the public by implementing social media platforms content strategies.
- My duties include analyzing engagement data, creating industry-specific content, ensuring brand consistency, identifying trends in customer interactions, and planning digital campaigns to build an online community.
- In my role as the Maintenance Director, I overhauled the Maintenance Program in order to maximize and optimize available resources, and to ensure industry-standard safety practices.
- My duties include coordinating, scheduling, and auditing vehicle maintenance repairs including preventive, mechanical, and electrical repairs to tractors, trucks, and trailers, prioritizing and assigning work to meet customers' needs, ensuring quality, compliance, and safety, and controlling the costs for repair, labor, and inventory.

Owner/Online Content Creator

Maramoo Productions | May 2017 – Present

- Produced, filmed, recorded, edited, and hosted a variety of online shows and other content for Maramoo Productions and other clients, including ads, podcasts, audio/video promos, interviews, short documentaries, reviews, ebooks, professional live streams, logos, graphics and much more.
